COVID-19 Reminders

If your child is sick or if someone in your household is planning on being tested for COVID-19 due to symptoms, **PLEASE KEEP YOUR CHILD HOME.**
Contact us at 509-683-1012 if you need guidance on when your child may return to school.

SCIENCE CLUB

Science Club has been resurrected at Mansfield High School and meetings began last month! Students can drop in after school at 2:45pm on Thursdays for a snack and a science activity. So far, students have learned how to separate components of liquids by solubility using chromatography, had the opportunity to learn about cohesiveness of water using Suminagashi inks and investigate the characteristics of their own fingerprints. We are deciding possible national science competitions to enter as well as looking at ways to better serve our community using science.

-Mrs. Laura Wommack

MUSIC IS IN THE AIR AT MANSFIELD SCHOOL AGAIN!

The 2021-22 school year has brought back an exciting experience to the kids, Music Specialist! Our very talented Special Education Educator, Mrs. Peet has sharing her musical gift to our Elementary classes. In September, the class focused on the basics of music. The students were asked the question, “What is music?” The students were creative in their thinking and some of the responses:

“Music is fun and magical”, “Music in life is everything”, “Music is on the radio in the car”, “I feel music in my heart and it can make me happy or sad, but usually happy”

Also, during this time, the classes were spending a lot of time “jamming”. The music room was set up with drums, guitars, keyboards, and percussion makers the students rotated. Currently, 3-6th grade are practicing their musical skills with the use of recorders. Much of the recorder activities and tools can be located on our Google Classroom. Kindergarten – 2nd grade is refining their singing with movement skills. Mrs. Peet’s vision for the music program is to continue to plant seeds of inspiration blended with reading and math standards.

Mrs. Peet is grateful to be able to combine her biggest passions, music and teaching in hopes of inspiring young musicians.

GEAR UP

Advisory Committee will be Tuesday, 11/23 at 6:00pm. We welcome students and parents to come discuss what GEAR UP is doing and welcome suggestions for improvement. Family night will follow at 6:30pm. We will be discussing college tuition. Food will be provided and parents who attend will be entered to win a \$25 gift card from Mansfield Family

FUTURE FARMERS OF AMERICA

The Mansfield FFA Chapter has 17 paid memberships for the 2021-2022 school year. They concluded their annual wreath sales on November 8th, having a record year! New officers have been elected and include **President:**

Braydon Murison, Vice President: Brielle Farrington, **Secretary:** Evalee Shafer, **Treasurer:** Tiera Miller, **Reporter:** Devynn Munson and **Sentinel:** Charleah Munson. The chapter looks forward to a full year fulfilling the FFA Motto; Learning to Do, Doing to Learn, Earning to Live, Living to Serve.

BOOSTER CLUB

We are looking for new members to join and help support our school, students, and activities in any way you can! Booster club meets up once a month to plan and discuss scholarships, classroom needs, field trips, academic awards, sports program, and fun events that is important for our kids to experience. Next meeting is November 16th at 6:30pm in School Library. Please call the school if you have any questions.

FFA Resumes TRAPSHOOTING

The Mansfield FFA Trapshooting team is back at it this fall with 9-member shooters. The team practices at the Sportsman's Club on Wednesday nights and will host a shoot on November 20th at the club. Thanks to the Mansfield Sportsman's Club especially Zach Steele, Brycen Cornehl and Norman Tupling for coaching the team.

Front Row: Dade Holmes, Armando Baltazar, Alex Morales, Max Murison, Trevor Moore, George Murison, Braydon Murison, Evalee Shafer, & Tiera Miller
